

IDP 2.0

Envisioning Our Future

Update of *Foundations*:

21st Century Skills

Relevance

Engagement

Co-creation – *with* not *for*

Facilitation skills

Cultural competence

Historical and scientific literacy

Capacity building for civic skills

National Park Service

EXPERIENCE
YOUR
AMERICA

Begin evolving IDP programs:

- Address 21st ce shifts
- Become more sustainable and field-driven
- Become more relevant and incentivized
- Become more streamlined and practical

Ideas from September workshop:

- Involve supervisors
- Develop a communication and marketing strategy
- Evolve/refocus credentialing system
- Evolve/refocus coaching curriculum
- Evolve/refocus Peer Review

Awesome and exciting possibilities:

- “Toolkits for Supervisors” Roundtables
- Incentivize continuous learning with a badging or points system
- Focus the coaching on informal contacts and/or facilitation
- “Interpreters Showcase” discussions via YouTube
- Crowd-source peer review
- Certify/accredit parks, not individuals
